Numeracy instructions & answers

The candidate has 15 minutes to complete all tasks.

The candidate can ask for help in reading the tasks.

Use the grid below to tick the correct answers.

A candidate can be considered to be successfully operating at each level if they have correctly answered all questions at that level.

If the candidate does not achieve all correct answers at Level 1, then they are operating at Pre-Level 1.

TASK	ANSWER	CORRECT	LEVEL
1	$7.00		1
2	a		
3	Brown		
4	$196.90
